MEMBER BENEFITS

LIFETIME RECOGNITION FOR OUTSTANDING ACADEMIC ACHIEVEMENT: Delta Mu Delta Honor Society membership provides recognition for a lifetime. As the highest international academic recognition your business student can earn, it is appropriate to include Delta Mu Delta membership on one's resume, to wear the DMD Key and display the framed certificate (and other regalia) with pride.

SCHOLARSHIP PROGRAM: Delta Mu Delta members, enrolled in the business program at a school with a chapter of Delta Mu Delta, are eligible to compete in the Society's annual scholarship awards program. Each year the Society honors academic excellence in the study of business to students across the country and internationally.

For more information visit www.deltamudelta.org/Scholarships.

ACKNOWLEDGMENT FOR FEDERAL EMPLOYMENT: In the USA, membership in Delta Mu Delta fulfills one of the requirements for entrance at the GS-7 level in numerous professional and technical occupations in the federal service.

NETWORKING OPPORTUNITIES: Delta Mu Delta's exclusive inCircle™ community offers members the opportunity to network with other members all over the world. DMD members are invited to register and provide a profile they feel will accurately represent themselves to employers. inCircle™ provides the ability to communicate with other members, form special interest groups, and selectively offer your profile to interested employers. Your inCircle™ account can also be linked to one you have in Facebook.

Many Chapters provide opportunities to network as well as meeting with corporate leaders to discuss current business issues.

LIFETIME CONTACT THROUGH THE SOCIETY NEWSLETTER: The Society publishes *The Vision* twice yearly. The newsletter keeps the membership informed of the Society's Chapter activities and current business issues. Hard copy of the newsletter is provided to new members, available free to donors and by subscription to others. Visit online issues of *The Vision* at www.dmd-ntl.org/vision for digital issues as well as The Vision Extended Edition with even more news.

BLOOMBERG BUSINESSWEEK SUBSCRIPTION: Delta Mu Delta has affiliated with Bloomberg Businessweek to offer our newly inducted members a one-year, non-deductible, subscription (50 issues valued at \$5) as part of your membership fee. This is a printed subscription for U.S. and Canadian subscribers, and in a digital version outside North America. Either version gives you business analysis and insight you won't find anywhere else. Access to their website, www.businessweek.com is included with your paid subscription.
